

2019 Residential Rebate Program Terms

- 1) The property, as noted in this document is required to use natural gas for a two (2) year period, commencing on the date the property is connected to the public natural gas system. Participating new home construction contractors agree to transfer terms of this agreement to the new home owner once a home is sold. New home construction contractors agree to have new home owners sign a transfer agreement and supply it to Liberty Utilities once a home is sold during the two (2) year term.
- 2) The offer is based on the following conditions:
 - Customers must sign this agreement by December 31, 2019.
 - A one-time bill credit is made to the property owner once all natural gas equipment is turned on to natural gas. Please allow 6-8 weeks for payment to be processed.
 - Only available to property owners located within the current natural gas infrastructure.
- 3) If any one of these conditions is not satisfied for any reason, you agree to be invoiced for the amount of the one-time account credit made by Liberty Utilities and to repay that amount to Liberty Utilities within 30 days of being invoiced, failing which interest will be charged thereon at 1.5% compounded monthly.
